

# Olympus Series

Counter Electric  
Beverage Dispensers

Plastic Cladding

Stainless Steel Cladding

## Features:

- Olympus counter electric beverage dispenser was developed in partnership with Coca-Cola and is exclusive to the Coca-Cola system
- Unit demonstrates exceptional, high-performance draw capacity
- System is available in two sizes: Medium (five flavor/five valves); Large (six flavor/six valves)
- Power To Choose Options provide the ability to tailor the Olympus to specific operating conditions or customer needs
- Enlarged, high-impact four-sided merchandising area provides for optional front and rear illumination, for maximum brand impact
- Stainless steel or plastic cladding
- Cladding design optimizes merchandising versatility, making customized graphics easy to apply
- Lift-out refrigeration deck provides easy access to components for servicing
- State-of-the-art ice bank management system optimizes ice-making and depletion cycles

**Immediate Consumption  
Excellence**

"COCA-COLA," "diet coke," "cherry coke," the Dynamic Ribbon device," "Sprite," "Minute Maid," "Hi-C," "Barq's," and "LEV" are trademarks of The Coca-Cola Company
